

OTTO Product Change Notification

CHANGE NOTIFICATION #:	11152019
ISSUE DATE:	November 15, 2019
PRODUCT(S) AFFECTED:	P9C Series
EFFECTIVE DATE:	November 15, 2019

Dear Valued OTTO Customer:

The purpose of this notification is to inform you of a change to the P9C Product Line. Please review this information in detail. Should you have any questions or require any additional information please contact your OTTO Regional Sales Manager or call us at (847) 428-7171 or email us at info@ottoexcellence.com.

Description of Change:

This is to inform our customers that effective immediately, OTTO is obsoleting the P9C Product Series from its offering. Due to circumstances beyond our control we are unable to provide adequate supply.

Impact on OTTO Customers:

Due to the obsolescence we are directing customer to the equivalent P9L Product Series.

There are no form, fit or function changes to the size of the products. There are more options on terminal selection, case style, and enhanced circuitry available.

Validation Testing Performed:

The switch has been tested and passed all validation test requirements.

Effective Date:

The change will affect all existing open and new product orders as of November 15, 2019.
